7.B. **Safety Committee** – P. Seeholzer reports: meeting was held with Department heads to discuss and review finances and department needs for this year.

7.C. **EMS** – Russ Maust reports: Winter Activity Report – 03/13/2021  
EMS runs (4) Clinic Calls (2)

It has been a productive and exciting winter

for Kelleys Island EMS. Unprecedented inter-department cooperation has been very successful in preparation for the upcoming season, we have been working hard on upgrades, organization, and new programs. Much progress has been made.

We are preparing to have our first Emergency Medical Responder class in association with Cleveland Metro Health. The schedule for this class is on track. We have twelve participants which equates to 1/10 of the winter population on the Island. It is good to have this many year-round residents involved. This class will be completed by the end of March and will provide a huge increase in EMS manpower.

New and much needed equipment has been purchased using individual and business donations by the EMS association. All new equipment bags have been acquired for storage of supplies for universal placement in the trucks. This will allow for easier access and faster response. We have invested in the latest technology to lift and transport patients. This new inventory of equipment will provide more comfort and stability for injured or sick patients and increased safety for EMS personnel.

The anticipated Doc2Go program is moving along as well. We are working hard at setting up an access point at the EMS station. Higher internet speed has been installed as well as hotspots in both ambulances. This creates the ability to share critical patient information with our Medical Control Doctors in real time.

With the cooperation of both the Fire Chief and the Police Chief, much work is being done on some radio communication issues and some other areas of need where safety could be improved.

In summary, much progress is being made to build a stronger EMS service. I would like to express my profound thanks to both the Police Chief and the Fire Chief for their thoughts and support. This inter-department teamwork is crucial in helping us build a safer Island.

7.D. **Fire Dept.** - Chief Skeans reports:

The Fire Department has had no runs for December, January, February.

Russ Maust, Brian Maust and myself spent time this winter cleaning and reorganizing the Fire Station. This was an overwhelming task that has needed to be done for some time. The Fire Station bathroom and decontamination shower project has been completed.

The Fire Department will be resuming all Fire meetings and trainings beginning April 6<sup>th</sup>. Nick Zamiska and Bad Day training will be conducting a decontamination class, this class is being paid for by the Erie County EMA through a training grant we received in 2020. May 2<sup>nd</sup> and 3<sup>rd</sup>, the Ohio Fire Academy will be bringing over their smoke simulator, flashover simulator, and driving simulator trailers, to conduct some fire training.

The Genesis rescue extrication tools have arrived and with the help of Russ Maust, we removed the old extrication tools and put the new tools in service. The old tools have been placed in the older engine to be used with that truck. The Genesis representative will be coming to the island to conduct a training on the proper use of these tools. Russ Maust and I have put together a First Responder medical kit and placed this on the Fire Engine. This will expand the resources of both fire and EMS. A number of our fire fighters are cross-trained between departments. This increases response and capability.

There has been a growing concern in regards to the risk of injuries in our quarries, and inland waters. Up until now, there has been no real plan to perform a rescue in any of these areas. Russ and I have been inquiring about a solution. Nick Zamiska from Bad Day Training is going to put together a high angle rescue class along with water rescue training. We are also looking at acquiring a small inflatable rescue boat, specifically for inland waters. We are trying to get training grants from the Erie County EMA.

The Fire Department has also applied for an equipment grant. With this grant, we are trying to get radios and pagers for both Fire and EMS. Also, we are trying to switch the EMS pagers and radios to operate on the Fire Channel. This will get EMS off of the Police channel which they are currently on.

The Fire Department is going to put on a 36 hour volunteer firefighter class through Vanguard. I have 7 people enrolled in the class. Five of the 7 are year round residents, 2 travel back and forth over winter. This will more than double our year round roster. The cost to the Village is going to be \$500 a person. I would like to ask the blessing of the Council to hold the class.

**Motion made to move forward with Firefighter Class made by G. Ritchie, second by E. Longbrake; All in Favor, Motion Passed.**

7.E. **Finance** – G. Ritchie, E. Longbrake reports: Finance Committee meeting on March 2, 2021. Topics included:  
1) Review of Tom Lange's receiving his EPA Class 3 water operators license.

At Today's Council meeting, Greg Ritchie will make a motion for Council to increase Lange's hourly rate from \$21.73 to \$26.00 per hour.

**Motion made to increase Tom Lange's hourly wage to \$26.00/hr. made by G. Ritchie, second by S.**

**Stevenson: All in Favor, Motion Passed**

2) Discussion of legislation requesting the Erie County Auditor to certify how many mills are required to increase EMS income by \$55,000 per year. And \$60,000 per year. Council will decide the appropriate amount to place on the November 2021 ballot.

3) Discussion of legislation requesting the Erie County Auditor to certify how many mills are required to raise \$30,000 per year for a Police vehicle purchase and maintenance fund.

4) There was a significant amount of discussion about year 2021 appropriations, with the majority of the discussion about police expenditures and minimum hourly rate for patrolman. The Finance committee recommends \$15 per hour minimum in an attempt to attract and retain capable officers. Even at \$15 per hour, Kelleys Island will remain at the lowest end compared to other lakeside communities with large tourist crowds during the summer.

7.F. **Lands & Buildings** – G. Finger: reports no meeting. Dwelle House needs roofings; EMS can possibly utilize Golias House after improvements, every department has own spot. Windows at the Town Hall are peeling and need assessed.

7.G. **Airport** – J. Wolfe reports: Had a conference call Feb 16 with the Airport Committee, RSH Consultants, Airport Manager and ONDR to discuss the parameters of a land swap for the rerouting of Monaghan rd. We are again submitting the possible options to the FCC. I will include the Plan if anyone is interested. From the Villages stand point, 3 Options are viable, but will be prohibitive due to 5% local share the Village needs to come up with. The 4th option is the blocking off Monaghan road with gates, which we feel is a non-starter. We are doubtful the project will proceed.

7.H. **Planning Commission** – J. Wolfe reports: no meeting; no report

7.I. **Design Review Board** – R. Maust reports: no meeting; no report

7.K. **Transfer Station** – E. Longbrake reports: no meeting; annual billing has been mailed.

7.L. **Village Administrator** – S. Wermuth reports: December 2020 – February 2021  
**EMS Update** – The switch over to MetroHealth went smooth with only a glitch with the Pharmacy Board making up to the island for their inspection. MetroHealth helped out by placing one of their EMS units with two staff on the island for a few days until the Pharmacy Board Inspector made it up. Russ Maust has been doing a fantastic job in his new role as EMS Coordinator.

**CARES Act Update** – We got everything worked out with Home Depot and the touchless faucets, hand dryers, valves are on a pallet and will be picked up when the ferry begins operation. We are still working on getting computers set up and operating with Office 365 with One Drive.

**Personnel Policies** – The draft Personnel Policies are included in the Council agenda this month. This will be the first reading. Ron and Dave reviewed them and I doubled checked benefits with Lisa.

**Transfer Station** – We are due for our five-year background check with the Attorney General's Office. Anyone directly involved with the Transfer Station must go through a background check. This would be the Mayor, myself Peggy and Tom Lang.

**Serving Our Seniors** – I had a great call with Sue Daugherty, CEO for Serving Our Seniors. They have been providing some services for our seniors in the island and as we spoke found some additional services that can be added. I will be working with her to get these in place.

**Alert System** – I am working with two companies to get pricing on an alert system for the Village. This would alert all residents by their mode of choice (land line, cell call, text, email) when an emergency situation occurs. Both systems will have pre-recorded alerts and the ability to develop specific alerts. I hope to have this in place by summer.

**7.J. Board of Zoning Appeals** – Gary Finger reports: no meeting; no report. Meeting scheduled for April 17, 2020

**7.M. Streets & Sidewalks** - S. Stevenson reports: Adequate money appropriated to fix pot holes, road striping, Addison Road project, etc....  
Mayor Ehrbar takes a moment to welcome S. Stevenson to the Streets & Sidewalks Committee.

**7.N. Park Board** – T. Pieratt: no meeting; no report

**7.R. Telecommunications Oversight and Development Committee- J. Wolfe** reports: Frontier will begin upgrading or installing the new Wi Fi service when the boat starts running. I have heard from several people they have been in contact with install dates. Frontier is sending a sales team March 19<sup>th</sup> - 21st to take orders and give information. They are going to supply me with a Kelleys Island specific e-mail address and Sales phone number. 419-746-2090 or kelleysisland@gmail.com. Any questions, contact Joe Wolfe

**7.T. Shoreline Protection Committee** - E. Longbrake

(next legislation numbers O – 01 and R - 01 )

9.0 First Readings:

**9.1 ORDINANCE NO. 2021 – O - \_\_\_\_\_ : AN ORDINANCE AMENDING SECTION 38.04 (A) and (C) ENTITLED “ESTABLISHMENT OF EMPLOYEE POSITIONS” OF THE KELLEYS ISLAND CODIFIED ORDINANCES.**

(INTRODUCED BY: MAYOR RONALD E EHRBAR)

**9.2 ORDINANCE NO. 2021 – O - \_\_\_\_\_ : AN ORDINANCE AMENDING SECTION 34.01 ENTITLED “CHIEF OF POLICE; COMPENSATION AND DUTIES” AND DECLARING AN EMERGENCY.**

(INTRODUCED BY: MAYOR RONALD E EHRBAR)

G. Ritchie questions: Police Chief immediately reports to Mayor, on everything/ or only serious, significant crimes  
G. Ritchie adds that if there will be 4 weeks of full time work added to Police Chief position, suggests passing an increase in pay.

E. Longbrake addresses his concern on multiple issues with the Ordinance: sufficient notice to the Mayor regarding time off, differs from other village employees. Convenient Form? All records, public records, are available upon

request. It should not be necessary to submit special reports to Mayor regularly. Questions the necessity of having to submit a report of all citations within seven days of issuance.

E. Longbrake expresses concern that legislation allows Mayor to control normal police duties.

**9.3 ORDINANCE NO. 2021 – O - \_\_\_\_\_ : AN ORDINANCE UPDATING THE PERSONNEL POLICY MANUAL FOR THE VILLAGE OF KELLEYS ISLAND, OHIO.  
(INTRODUCED BY: MAYOR RONALD E EHRBAR)**

G. Ritchie suggests changes in personnel policy that include an appeal process for discipline with a 3<sup>rd</sup> party review process.

E. Longbrake questions that legislation gives Mayor the authority to change rules without notification a/o approval of Council.

E. Longbrake suggests legislation need to be rewritten properly

**10.0 Second Readings:**

**11.0 Third Readings & Emergencies:**

**Third Reading:**

**11.1 ORDINANCE NO. 2020 – O - \_\_\_\_\_ : AN ORDINANCE FIXING WATER RATES  
(INTRODUCED BY: COUNCILMAN GREG RITCHIE)**

Motion to pass by G. Ritchie, second by E. Longbrake

RC: S. Stevenson\_\_Y\_\_, G. Ritchie\_\_Y\_\_, P. Seeholzer\_\_N\_\_, J. Wolfe\_\_N\_\_, G. Finger\_\_N\_\_, E. Longbrake\_\_Y\_\_  
Mayor Ehrbar\_\_N\_\_

**Motion Not Passed**

Discussion of changing rates increase to 2%. P. Seeholzer suggests 1.5%. P. Seeholzer expresses concern for seniors on a fixed income.

S. Stevenson believes that a yes vote is needed. Worked hard to bring the Water Dept. to where it is. Looks ok financially but, operationally projects have been put off, this does not even include future projects.

G. Ritchie adds that projects include: waterline at Seaway Marina, Huntington Lane and Water Tower that will need to be replaced in 15-20 years, money should be being saved.

E. Longbrake adds that Fees such as EPA have increased and need to be accounted for.

S. Wermuth that should work with 2% or in a few more years the situation will be essential and the % will be higher. Motion to re-write this legislation at a 1.5% increase to water rates made by G. Finger, second by P. Seeholzer.

**12. Items from the Mayor:** I would like to thank all of council for their input regarding the appointment of a councilperson replacing Russ Maust, and now welcoming Scott Stevenson to council.  
Thank You to Russ Maust for accepting position as EMS Director. Please visit the EMS office to see improvements.

Mary Kaptur contacted me to announce that CoVid19 Relief has been passed was passed on Wednesday and Village may be eligible for \$60,000. Will get specifics.

State of the Village; At the end of 2020 all of our funds were in good shape according to Greg Ritchie's year-end report. Thank you Greg. With a record number of visitors to our island last summer and with the pandemic, the village did well. I do expect the number of visitors to increase again this summer. I also would like to thank Russ Maust for taking on the task of transitioning EMS from St V's to MetroHealth. Great job. And finally I want to let all know Marci Kaptor called letting the village know we will be receiving a check from the federal government in the amount \$60,000.00 for relief from COVID that congress passed this week.
