4. Clerk Trasurer Klonaris: Notes that the 2022 Tax Budget has been posted and available for public viewing during the last 10 days, in the office. Notice of such was placed at the designated Village posting places. The Tax Budget needs to be approved, passed and submitted to Erie County Auditor's office by July 15, 2022. If Council has changes to be made or concerns regarding 2023 Tax Budget, now is the time to address any issues. This is an important document as it is a signal to the Erie County Auditor to collect property taxes and for the Village to participate in local government funds.

L. Klonaris reports that several changes had been brought to her attention and adjusted accordingly. 2023 Tax Budget will appear on agenda tonight for passage.

S. Smith presents a process question regarding Tax Budget. States that this being a historical document, is it the proper approach to this for next years budget? Are Department Heads aware of their 2023 budget as stated in this report? Can there be changes made to this budget?

Mayor explains that this is an estimate of revenue and expense for 2023, not permanent.

L. Klonaris explains that this is just an estimate. A starting point as to where we are financially and what we are expecting for 2023. Changes will be made prior to Appropriations. Departments and Committees should be working on budgets and projects for their areas now.

5. Motion to Adjourn made by A.M. Eaton; second by S. Stevenson.
All in Favor. Motion Passed.
